The authors regret an error in the acknowledgments of the original manuscript, which has been corrected in the present corrigendum:

The authors gratefully acknowledge funding for this work from the *Ministerio de Ciencia e Innovación*, under the grant agreement PID2019-107126RB-C22. Additionally, we would like to express our gratitude to Imefy for providing the high-density pressboard, the mechanical properties of which are reported in the present article.

The authors would like to apologise for any inconvenience caused.
